

Psalm 60:12

With God we will gain the Victory.

Greetings my faithful partners! I want to thank you for being faithful partners in ministry. In the last newsletter I asked you to pray for the harvest for the fields are ripe. Thank you for your prayers it was a summer we have not witnessed in many years. 202 children asked Jesus into their hearts through sports programs and special events. No matter if the program was small, average or a large number of participants, God blessed each and every program. The number of children who have no church and for the very first time heard the good news of Jesus Christ was astounding. You may wonder how we know that, CSI talked to every child individually after the gospel presentation at every program.

The summer is coming to a close and CSI has much to praise God for, especially all the young lives that asked Jesus into their hearts. The verse above was on the spring newsletter and I leave it there again to remind you too many times we walk and talk like we are defeated. I just witnessed the biggest summer we have had in many years and it happened because we believed with BIG FAITH and knew that with God we will gain the Victory.

Sid Bream speaking in Homewood, 26 kids responded to the gospel.

CSI held baseball/softball programs in Riverside, Homewood, Zelienople, Evans City, Punxsutawney for two weeks, and Leamington, Ontario. Basketball was held in Punxsutawney, Leamington, Onatrio and Sneedville, TN. Jon Kolb directed a football program in Sneedville, TN and our TEAM Sports Academy six week program operated half day Monday thru Thursday in Sneedville, TN. CSI held our TEAM Sports Academy VBS in Zelienople and Leamington, Ontario. Mike & Jean Hutchison traveled every other weekend to New York City to work with a group of boys in baseball.

Special thanks to our staff, volunteers and our guest speakers Bobby Martin, Tom McGough, and Charlie Aeschliman. Sid Bream spoke at every baseball program we held this summer. CSI thanks these people for their dedication to reach kids with the greatest story ever told the good news of JESUS CHRIST. Be blessed!

Homewood Baseball Program

I just wanted to drop you a note to say thank you for the baseball clinic today and for supporting the kids in Homewood. I had a great time with my LAMP boys, and by my unofficial count five of them accepted Sid's invitation to ask Jesus into their hearts. I have spent a great deal of time planting seeds with each of those guys over the past four years, so today was a really special day for me. God's timing and purposes are so amazing.

Also, I can't really describe for you guys how good it feels to have brothers in Christ standing shoulder to shoulder with me in this battle for the hearts and minds of the young people in Homewood. I really value your friendship, and I appreciate your servant hearts and willingness to go where many others in our city are unwilling to go. Things may not always go as planned or look like we want them to, but in the end the most important thing is just that we show up. As we saw today, God works in all kinds of situations.

You Guys are The Best!
